

# Safety – Link

Newsletter of the American Society of Safety Engineers – Central Pennsylvania Chapter – January 2015

## January meeting recap:

Doug Sanders of Morgan Truck Body, LLC presented on:

*Emergency Response and Rebuilding Process from Major Fire in Camp Hill.* As the EHS Managers during this rebuilding process, he shared some great lessons learned, one including it is important to have an established Rebuild team (Finance, Operations, EH&S, Facilities, Maintenance, Purchasing) BEFORE disaster strikes.

The joint AIHA/ASSE meeting had 36 attendees, 31 being ASSE members!

Speaker, Doug Sanders, during the Q&A segment of his presentation.

## Highlight of the month

ASSE's Risk Assessment Institute announced the launch of a new video series. Check them out, by clicking [here](#).

Want to become more involved in the Central PA ASSE Chapter?

Contact Chris Sahn ([Chris.Sahm@itt.com](mailto:Chris.Sahm@itt.com)) or Paul Allen ([pallen@chubb.com](mailto:pallen@chubb.com)) to volunteer as a PDC Committee Member.

Need to renew your dues? Log into your account [here](#) or call 847.699.2929.

**Have a Job Opportunity to communicate through the Central PA Chapter of ASSE?**

Email Steven Engle:
