Newsletter of the American Society of Safety Engineers – Central Pennsylvania Chapter – February 2015

February meeting recap:

Bruce Blom of Penn National Insurance presented on:
Workers Comp. – EMR and Insurance Costs, Emerging Issues in Lancaster. Bruce informed our 24 attendees on the importance of EMR and what impacts insurance costs. Did you know your company's 2015 EMR is actually reporting on the experience period from 2011-2013?

Speaker, Bruce Blom, presents to ASSE members during February's meeting.
